Dear Mr. More,

I should like to acknowledge receipt of your letter of 18 March and to thank you for the statistical data relating to Hawaii which were enclosed.

This additional information is valuable for the completion of the Secretariat study and will be incorporated in the final printed text to be published some time this year or the beginning of next, in the volume relating to the territorial part of the Ten-Year Progress Report. We may possibly have to make an exception for the population and vital statistics, which the Secretariat usually takes from the United Nations Demographic Yearbook.

You may have noticed that in the meantime the original text of the Hawaii-report has appeared as a mimeographed document under symbol No. A/4088/Add.5, dated 6 March 1959. A corrigendum to this document will be issued in those instances where the additional data you were kind enough to send are essential for the work of the Committee on Information from Non-Self-Governing Territories at its coming session.

Sincerely yours,

M. Perez-Guerrero
Director
Division of Information from
Non-Self-Governing Territories

Mr. Bolard More,
Officer in Charge
Non-Self-Governing Territories Affairs,
Department of State,
Washington 25, D.C.
